ONLINE GROUP SUPERVISION CALENDAR JULY TO DECEMBER 2024

THE PROVISIONAL PSYCHOLOGIST NETWORK

ABOUT OUR ONLINE GROUP SUPERVISION SERVICES

The Provisional Psychologist Network provides a range of online group supervision topics aimed at addressing the core competencies of the 4 + 2, 5 + 1 and registrar pathways. We have four board approved supervisors who facilitate group supervision: Dr Justine Evans (Clinical Psychologist), Jasmine Kelly (Psychologist), Seng Tan (Educational and Developmental Psychologist), and Kelly Wozencroft (Educational and Developmental Psychologist).

Our groups range in duration, and occur at various times throughout the week to suit your availability.. All groups will have a maximum of five participants. Cost of group attendance is \$85 per hour per participant.

Please note that our appointments are set to Australian Eastern Daylight Time (AEDT) from the **first Sunday in October** to the **first Sunday in April** during Daylight Saving Time (DST) and Australian Eastern Standard Time (AEST) for the remainder of the year.

All groups are subject to change, and we require a minimum 3 participants attending to facilitate the group. We confirm groups one week prior. We do our best to market groups effectively to minimise the likelihood of groups being cancelled.

HOW TO BOOK

For existing supervisees of the Network you can book online through the client portal at:
<https://my.powerdiary.com/clientportal/5541d022-d51c-45cb-bb7d-e289068d2680>

The client portal can also be found on our website at www.provisionalpsychologistnetwork.com

To book through the client portal make sure you click on '**book a class**'. Then you can browse the dates that are available. If you can't see a date, it is because it is full. Feel free to email us to go on the cancellation list if there is a group you would like to attend but it isn't available.

For those who would like to commence attending our groups please email contact@provisionalpsychologistnetwork.com with your full name, email address and mobile number. We will create you a client portal login, and provide you with the required forms to complete.

HOW TO ADD A SECONDARY SUPERVISOR TO ATTEND GROUPS

It is easy to add secondary supervisors to your internship plan so that you can count the hours towards your supervision ratio. We can provide you with a signed secondary letter template for your supervisor to sign to send to AHPRA to add our supervisors to your plan (4 + 2 and 5 + 1 supervisees) or we can sign the forms to add to your registrar plan.

ONLINE GROUP SUPERVISION CALENDAR JULY TO DECEMBER 2024

THE PROVISIONAL PSYCHOLOGIST NETWORK

CANCELLATION POLICY

To prevent having to cancel groups at short notice, and ensure we are valuing the time our supervisors spend preparing content and the time they put aside to facilitate group supervision (particularly those giving up their evenings or weekends), the following cancellation policy applies.

All group supervision sessions will require at least seven days of notice of cancellation, otherwise a cancellation fee of the full cost of the group supervision session booked will be charged.

Cancellations for group supervision are required to be completed via the booking portal, or via email to contact@provisionalpsychologistnetwork.com. As a courtesy we may send you an SMS reminder for your scheduled group session two weeks prior, and the day prior. However, this is a courtesy service only and should we experience staff shortages or technical difficulties this may not occur. As such, it remains your responsibility to attend the session and the absence of an SMS reminder will not lead to cancellation fees being waived. We encourage everyone to check their diary and have a system in place for ensuring booked sessions are attended.

Group supervision sessions will continue to require a minimum of three participants go ahead. If the group needs to be cancelled for this reason any payment for the session will be fully refunded, and you will be notified a week prior to the group date.

ZOOM LINKS

Please choose the correct zoom link based on the supervisor facilitating the group. Zoom links are listed on the calendar, and are sent to you in your email confirmation when you book your session. Zoom links are also listed on our website here:

www.provisionalpsychologistnetwork.com/zoomlinks.com

IMPORTANT INFORMATION WHEN ATTENDING GROUPS

If you have booked a **Classic Group Supervision Group** please ensure that you come prepared with a case, supervision need, or question for facilitation within the group.

Please ensure you are not distracted during the session so you can fully participate. **Please try to engage in the session via a computer** and not a handheld device and ensure that you have adequate internet coverage.

You can email your logbooks to admin following the session for signing to contact@provisionalpsychologistnetwork.com
